7. Affiliation Fees: It is proposed to keep the affiliation fees at £10 per club p.a. The fees are collected online and incur a £1 processing fee.
8. Race Fees: Race entries are now exclusively online. It is proposed to keep the entry fee at £3 per runner, increased to £6 for late entries. There is a small processing fee.
9. Race Permits: It is proposed that permits for our races should be obtained from UKA/ England athletics rather than any alternative body. This is because many runners wish their results to count to their Power of 10 ratings.
10. Trophies and medals.
 - 10.1 The trophy for the individual male winner of the 5 mile race has been missing for several years. It is proposed to replace this. Discussion is invited on nature and costs of trophy.
 - 10.2 It has been proposed (Belgrave H) that SOTCCA reimburse clubs for the engraving of perpetual trophies.

10.3 Currently the 1st women's team in the championship race are given a moderate sized shield to keep. It has been proposed (Belgrave H) to replace this by a large perpetual trophy or shield as with the 1st men's team.
